AGREEMENT TO PROVIDE ELECTRONIC COMMUNICATIONS

Board of Commissioners
Daniel C. Camp III, Chairman
Jack Manning
Tony Amadio

I, _____, request to be added to Beaver County
Name (Please Print Legibly)

9-1-1 Computer Aided Dispatch text messaging list and/or Fire Department email list.

Agency

I understand that text messaging is provided as a courtesy to emergency responders and should not be considered as the primary method of alerting and dispatching emergency services in Beaver County.

I understand that the Fire Department email is provided as a courtesy to emergency responders to provide information and training opportunities to members of the Fire Service in Beaver County.

I agree to maintain any and all information received via text messaging or email as **confidential**.

I understand that I WILL NOT share any information via social media to a personal or a department's page, the entire department will lose its text messaging service and any messages that are pushed to an Active911, I am Responding or any other command type system should a violation occur.

I agree to immediately notify Beaver County 9-1-1 of any change in status as an emergency responder with the agency listed above, or if I change my text messaging phone number, service provider or email address.

All additions or changes are to be in writing and sent in or signed only by the department's Chief.

Please email this form to fireinformation@beavercountypa.gov or fax to 724-266-0210
