FOR IMMEDIATE RELEASE:

As a result of the recent resurgence of COVID-19 cases in our region, and as part of an effort to continue providing a safe working environment for our employees and the public at large, the Beaver County Courthouse and other facilities continue to remain open, but the County is attempting to limit the need for the public to enter the facilities.

The public is strongly encourage if they have business with any County Department, to contact that Department by phone before proceeding to go there in-person. Many Departments are providing services remotely, by way of appointment only, or are utilizing a drop-box. The phone numbers for the particular Department can be found at the County's website, www.beavercountypa.gov.
