Re: Beaver County Expenditures by Vendor for Fiscal Year 2020

The two following reports are new reports for fiscal year 2020. These reports support our efforts to improve the financial transparency. The figures in these reports are unaudited. The first report lists all the companies that the County has expenditures of over \$250,000 with for 2020. The second report lists all the individuals that the County has expenditures of over \$10,000 with for 2020.

These reports will be published each fiscal year after we finalize our financials.

Thank you,
