

FY2025 Beaver County CDBG Project Application

LOW MOD CLENTELE BY INCOME ELIGIBILITY NATIONAL OBJECTIVE COMPLIANCE

Applicant Name: _____ Use the same name as in Part 1 Project Information

Project Name: _____ Use the same name as in Part 1 Project Information

Low Mod clientele - A project meets a National Objective if it benefits a limited clientele, at least 51 percent of whom are low or moderate income. Most public service projects are qualified this way because they require information on income eligibility to offer the service.

If the project is funded, the applicant will be required to report data including household characteristics, income, disability and race on the people served by the project.

At least 51% of the persons or households served by the project must be low or moderate income based on the following HUD income limits:

Number of persons in household	Income must be below
1	\$56,700
2	\$64,800
3	\$72,900
4	\$80,950
5	\$87,450
6	\$93,950
7	\$100,400
8	\$106,900

(Income limits updated 5/1/2024)

Projects that assist people with housing are qualified by number of low and moderate households that will be assisted. Examples are rehabilitation of owner-occupied residential structures, grants for tap-in fees, homebuyer program and foreclosure prevention. All other projects are qualified by the number of low and moderate persons that will be assisted. Only persons or households will be counted, not both.

How many people or households will the project serve?

_____ **People**

or

_____ **Households**

FY2025 Beaver County CDBG Project Application

IF HOUSEHOLDS: Number that are owner households: _____

& number that are renter households _____

Explain the process for qualifying people by income to participate in the project. _____

Attach forms that will be used to determine income eligibility. Using the low-income guidelines of another program, such as qualification for the school lunch program is acceptable if the income limits are the same or lower than HUD's income limits. Adequate documentation of another program's income limits must be submitted. If no form or documentation is attached, then the CDBG Program Family Income Survey below must be used.

Will the project be limited to serving only low and moderate income persons or households? Yes No

If No, what information will be used and how will it be collected in order to ensure that more than 51% of the participants will be low or moderate income? _____

Impact Statement. Explain how the project will primarily benefit all of the people who will be served. Describe how the proposed project makes a difference in the lives of the people, communities, and the environment. _____
