

SALARY BOARD WORK SESSION

TUESDAY, January 13th, 2026

MEMBERS PRESENT: Chairman Camp, Commissioner Manning, Commissioner Amadio, Controller Longo

ABSENT: None

Chairman Camp called the meeting to order at 10:04 A.M.

1. SALARY BOARD – Dan Camp, Jack Manning, Tony Amadio, Maria Longo

- a. Discussion regarding Non-Union increases.

Chairman Camp stated that when Corey prepared the budget, he prepared 3 separate increases of 2.75, 3.0, and 3.25. Solicitor Fedeles said Corey will be here tomorrow with some figures to discuss. Solicitor Fedeles states that he does not believe there is anything pending in the Collective Bargaining Agreements that would prevent them from voting with the Non-Union increases. Controller Longo asked if he said what is in the current budget. Chairman Camp said he has up to 3.25 in the contingency fund. Chairman Camp stated that 2025 S1s is 3.25. Solicitor Fedeles confirmed. Controller Longo asked Samantha Hawk, Payroll, what the current Non-Union healthcare is. Samantha stated it was 3.33.

- b. Motion to utilize for the elected officials raise only in 2026 the CPI-U September 2025 figure due to the fact the October 2025 figure as required under Resolution 123197-15 was not released because of the Federal Government shutdown.

Solicitor Fedeles stated that the resolution from 1997 that is in place states that the elected official's raises each year will be set by the CPI-U index, based on the October number. Because there was a government shutdown there was not a number given for October 2025. Solicitor Fedeles was thinking to follow the number prior to the shutdown which would be September 2025. Controller Longo thinks the Salary Board would have to vote on it since they can't follow the resolution. Solicitor Fedeles said this would not be voting for their raise, it would be voting for what number to utilize. Chairman Camp asked if the 1997 resolution was prepared by the county or if it was a resolution from the Commonwealth that they accepted. Solicitor Fedeles stated it was prepared by the county. Chairman Camp asked if they can amend the resolution so if this happens again then they will know what number to use. Solicitor Fedeles said they could but the chances of this happening again are miniscule. Controller Longo asked if it was even worth amending or having a new one where there is a minimum and a maximum. Solicitor Fedeles said if they adjusted it then it wouldn't be effective until the next election year. Controller Longo said they can set it for the next people. Commissioner Manning said he would be

in favor of that and reset things going forward. Solicitor Fedeles stated a new resolution would need to be done prior to next year, 2027.

2. COURT ADMINISTRATION – President Judge, Richard Mancini (absent)

- a. Request to change the title and status for position #2460-4054 Non-Union Irregular Part Time Judicial Clerk to Regular Part Time Judicial Clerk. This position is currently filled by Jordan Lizzi.

Aileen Bowers stated this is to help meet staffing in the MDJ offices since they have had a lot of turnover and people on FMLA. She stated Jordan has been working for them for 2 years and is a college student who can give more hours during the summer months to help fill in vacation times. Aileen stated Jordan will get no benefits and will accrue sick and vacation time and will go into the pension. Controller Longo asked if she is going to stick around since she is in college. Aileen stated that she is. Controller Longo stated that she will be in the pension moving forward and not retro. Aileen understood that. Aileen stated that the office Jordan is working in has 2 Full-Timers, the 3rd Full-Timer is leaving to go to law school, and Jordan is trained in all aspects and will not go Full-Time until 2027 when she graduates college. Solicitor Fedeles asked if this would be effective immediately. Aileen confirmed.
