

SALARY BOARD WORK SESSION

TUESDAY, September 9th, 2025

MEMBERS PRESENT: Chairman Camp, Commissioner Manning, Deputy Controller Zorich

ABSENT: Commissioner Amadio, Controller Longo

Chairman Camp called the meeting to order at 10:02 A.M.

1. BOARD OF COMMISSIONERS – Dan Camp, Jack Manning, Tony Amadio (Absent)

- a. Motion to change the title for position #1110-267 from Department Head to Inspector.

Chairman Camp stated this is the Weights and Measures position. Commissioner Manning stated it is a part-time position.

2. EMERGENCY SERVICES – Eric Brewer

- a. Request to eliminate position #3500-4111 Regular Part-Time Telecommunicator.

Director Brewer stated that when he started in 2017 they had 20 part-time positions and this will put them down to five. He hopes to get rid of all part-time positions and replace with fewer full-time positions since it is not a part-time job. Commissioner Manning agrees it is harder to manage a part-time position in that job.

3. BEHAVIORAL HEALTH – Lisa McCoy (Absent)

Solicitor Fedeles states that after an internal discussion with Lisa McCoy and Samantha Hawk, an easier and better way instead of eliminating one and creating another is to just change the title from Service Aide II to Service Aide I. Payroll, Samantha Hawk, stated that it would be easier to adjust the pay rate accordingly from Aide II to Aide I instead of processing two sets of paperwork.

- a. Request to eliminate position #5270-1334 Social Service Aide II.
- b. Request to create one (1) Union Social Service Aide I position, at the grade step of 25A at \$34,468.41.

Meeting adjourned at 10:06 A.M.
